you dont have to agree with the score of the other

you need to understand why they score it that way

EMPATHY

KAIZEN

small seemingly insignificant continuous on-going and never ending improvements

widezen

HOW ELSE THINKING

What can we utilize INSTEAD OF?

raise the praise

INNOVATION STARTS WITH AN EYE

Keep a BUG LIST

DO YOUR "Y" FRONTS

ASK "WHY?"
ASK "WHY NOT?"

CH UN KI NG

Principle of Graduated Change

It is easier to tackle a difficult task if it is divided into manageable units. The units then ranked according to difficulty and the easiest units tackled first. Thus the project becomes more manageable.

- MOROV** What works that we can do **MORE OF?**
- LESSOV** What do we need to do **LESS OF?**
- RIDOV** What do we need to get **RID OF?**
- TOSSIN** What aren't we doing that we need to do? What do we **TOSS IN?**

The organisation of the future will run on
