The Nine Wisdom Worlds of the Wise by Ian Berry with thanks and gratitude to Glenn Capelli

Choose one world that you feel best helps you right now to see, unearth, magnify and enhance your essence (your unique personal wisdom), and assists you in being alongside other people as they work on theirs.

Another path is to choose a song for each area as I have done below. (Mine might be a bit old for you 😊) and then choose one world to work on.

In my case I'm working on Stories and Conversations.

- 1) 'Physical' - Olivia Newton-John
- 2) 'Thank you for the music' - ABBA
- 3) 'Climb Every Mountain' - Peggy Wood in Sound of Music

- 4) 'Up Where We Belong' - Joe Cocker and Jennifer Warnes
- 5) 'Here Comes The Sun' - George Harrison
- 6) 'I can see clearly now' - Johnny Nash
- 7) 'Words' - Bee Gees
- 8) 'Come Together' - The Beatles and 'Sounds of Silence' Simon and Garfunkel.
- 9) 'Wind Beneath My Wings' - Bette Midler and 'Bridge Over Troubled Water' Simon and Garfunkel from the concert in Central Park, New York.
