

The Gift of Farsight

video playbook #2

by Ian Berry

**What you hear me say is important,
yet nowhere near as important
as what you hear yourself say to yourself,
who you become, and what you do next.**

Prologue

We're drowning in information. What we crave is insight.

Hindsight and foresight have their place. Farsight however is the gift we need most.

Insight and Farsight are the dynamic duo of 21st century leadership.

Jack’s Story and The Gift of Farsight

Like Some Help?

Should you like some help in implementing and integrating what you've heard yourself say to yourself please contact me on +61 418 807 898.

Our initial conversation is complimentary. From there 'pay what you feel is right for you' is your investment model.

You can learn more about this at [my website](#).
